2019 Strong4Life Superhero Sprint

Calling all superheroes!

Join us for the seventh annual Strong4Life Superhero Sprint, a 5K race and 1-mile "fun run" event on **Saturday, June 1, 2019**. Participants will be asked to wear their favorite superhero gear and use their superpowers to walk, run or sprint to the finish line. Prizes will be awarded to the adult and child with the best superhero costumes.

This exciting family event at Piedmont Park benefits Strong4Life, the Children's Healthcare of Atlanta movement dedicated to helping busy parents raise healthier families. As a sponsor, you can help raise the funds needed for Strong4Life to reach even more families by training healthcare providers and impacting children at school and other environments where they learn and play.

If you have questions about the event, or to confirm your sponsorship, please contact Michelle Cobb, program coordinator, Children's Healthcare of Atlanta Foundation, at **404-785-7315** or **Michelle.Cobb@choa.org**.
