About Reese's Magic Fund

In honor of her daughter Reese, Jenn Hobby, a local radio personality on Star 94, set out to support the work of her life-saving oncologist, Dr. Thomas Olson. She did this by creating Reese's MaGIC Fund with her husband, Grant Rivera, Superintendent of Marietta City Schools. Together they have raised more than \$330,000 in just five years. Money raised goes to support Dr. Olson's international efforts with germ cell tumor research and solid tumor research at the Aflac Cancer and Blood Disorders Center.

For event questions, please contact Hannah McIntosh at Hannah.McIntosh@choa.org.
