BENEFITING

Marcus Autism Center

Join us at **Mahjong for Marcus** on **Tuesday, September 30, 2025** at Cherokee Town Club.

Our hope is for you to support our community's children by partnering with us through sponsorship of this event. All of the money raised through this event will benefit Marcus Autism Center, a subsidiary of Children's Healthcare of Atlanta.

Autism affects an estimated **1 in 36 children** in the United States and is a lifelong condition for most.

At Marcus Autism Center, we are:

- Continuing to advance our understanding of the development of autism spectrum disorder (ASD).
- Providing treatments to children that in many cases limits or preempts severe disabilities from developing.
- Defining the standardization of diagnoses, interventions, and treatment plans than can be utilized by healthcare and education systems for the benefit of all children with autism and developmental delays.

With your support, Marcus Autism Center will transform the landscape for families living with autism today and in the future, making autism an issue of diversity, not disability.

Enclosed, please find the sponsorship opportunities and benefits. Please do not hesitate to reach out to Zoe Decker, Senior Program Coordinator, at Children's, with any questions at Zoe.Decker@choa.org.

Your generosity would truly make an impact on the life of a child and we would be honored to have you join our efforts in support of Marcus Autism Center.

With gratitude,

Jen Alewine
