WHY WE RIDE!

St. Paddy O' Pedal is in its 9th year and growing steadily in participants, sponsors, fundraising revenue and visibility within the community. It is one of Children's Healthcare of Atlanta's largest third-party events, donating funds to further cancer immunotherapy research for kids at Children's AFLAC Cancer and Blood and Disorders Center.

John and Shawn Dickson lost their precious and vibrant daughter Kiersten to lung cancer at a young age. Treated by the compassionate doctors and staff at Children's Healthcare, Kiersten's parents teamed up with the Olde Blind Dog Cycling Club to create an impressive Charity Bike Ride. Funds raised benefit research to help the fight against childhood cancer, which is the leading cause of death by disease among children, taking the lives of 1 in 5 children diagnosed.

Please join us in helping the AFLAC Cancer and Blood Disorders Center and the 8,900 kids they see each year, by being a part of St. Paddy O' Pedal. Your tax-deductible contribution, large or small, has an impact at every level. We need you, and so do all the kids at the AFLAC Cancer Center.

Meet Noey: Noelle "Noey" Springer, a resilient 6-year-old, is undergoing treatment for leukemia at the Aflac Cancer and Blood Disorders Center. With Aflac's support and the generosity of events like the St. Paddy O'Pedal charity bike ride, which helps fund vital cancer research, Noey is thriving. Now in the final stages of treatment, she's paying it forward by encouraging and comforting other young patients, using her own experience to bring hope to those still fighting.

ST. PADDY O'PEDAL \$100,000 GOAL AND MARKETING PLAN

Continue to build momentum of past eight year's success by increasing rider participation to over 800 cyclists. Extensive advertising on regional cycling websites and heavy use of social media to promote to other local cycling clubs, as well as Olde Blind Dog's Cycling Club's 2,500 members. We estimate over 75,000 cyclists and families will be reached. Check us out on Facebook. We will be promoting our Charity Ride and your company's involvement!

Children's has an impressive range of communication tools to promote our bike event. From their website, newsletter and Friends Flash, we have the potential to reach their wide circulation of viewers. As they are also building the website for us this year, your logos will be there with links to your company. Visit our website at:
www.choa.org/stpaddyopedal.

HOW YOU CAN FUND RESEARCH TO CURE CHILDHOOD CANCER

TITLE SPONSOR: \$30,000

Your company identified as lead sponsor i.e.
