# *South Buckhead Friends* *Tour of Homes*

---

Join us for the inaugural South Buckhead Friends Tour of Homes benefiting Children's Healthcare of Atlanta! This exciting new event will feature a selection of exclusive home tours in Buckhead on **Sunday, November 16** from 11 AM to 4 PM.

All proceeds from sponsorships and ticket sales will raise funds for The Zone at Children's – a place where kids can be kids. The Zone serves as a hangout, a game center, a place to learn, and a place to connect. At Arthur M. Blank Hospital, The Zone Backyard offers basketball, miniature golf, and a safe space for patients to enjoy the outdoors! The Zone is also equipped with a child life program that offers patients and their siblings individual and group therapeutic activities, which help build positive coping techniques and promote optimal development during hospitalization.

Initially gifted by Teammates for Kids, Garth Brooks' foundation, The Zone is now 100% donor-funded. Your support of this event can truly make an impact on the families and patients at Children's Healthcare of Atlanta!

Thank you for your support,
